**Overview**

David Malcolm is currently a principal, and office manager, for the Florida office of Wood + Partners, Inc., a southeastern based land planning and landscape architecture firm. David's focus within the practice is improving cities and communities by bringing form to planning and design projects for public and private sector clients. David has also practiced Landscape Architecture in North and South Carolina while working in the private sector.

Over ten years of active membership and participation within ASLA has given David the opportunity to serve the membership in various capacities including:

- Editor of the Palmetto Press – Quarterly Newsletter of the SCASLA- 2002-2004
- Conference Chair – SCASLA- 2004
- Treasurer – SCASLA - 2003
- Executive Committee – SCASLA – 2000-2005
- Government Affairs Committee – FLASLA - 2008-2010

**Personal Statement**

*“As Tallahassee Section Chair, it will be my goal to represent the membership within the Tallahassee region as well as at executive meetings. I hope to increase the number of ASLA sponsored events within the Tallahassee area as well as continue to be an advocate for the profession in all ways.”*

**Education**

Bachelors of Landscape Architecture, Virginia Tech, 1995

Study Abroad Program – Riva San Vitale, Switzerland, 1994

**Registrations**
